# How to make Glass Deco

You can download designs here or choose one from your own illustrations, etc.

Immediately after being applied to the film, it is opaque, but as it dries, it becomes a transparent color.

\*Sky Blue, Snow White, Black (Combined use of liner and paint) will not become transparent.

\*When Glass Deco is applied directly to paper, it creates a three-dimensional texture, but not transparency. (It will not become a sticker.)

## Basic Method of Making Glass Deco

You will need : Glass Deco, Film, Design. Clips and toothpicks would be useful.

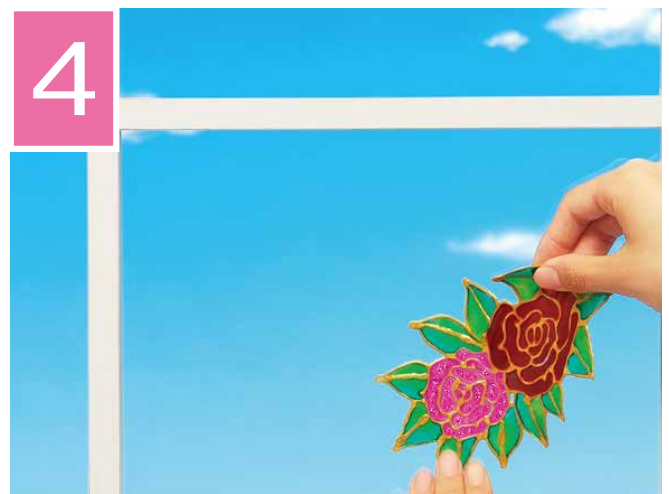

Put a film over an illustration and draw an outline with Black or Gold.

After outline drying, apply Glass Deco inside the outlines.

After drying completely, peel it off from the film.

Let's enjoy decorating!

# How to make Glass Deco Suncatcher Plates

You will need : Glass Deco, Glass Deco Suncatcher Plates

Apply Glass Deco inside the outlines of Suncatcher Plates.  
You need not designs/patterns.

Wait until it is completely dry.

Let's enjoy decorating!

# Tips on how to make it well

Apply a thick coat of your favorite color. Wait until it is completely dry.

## If it is hard to peel off...

If the dry glass deco is difficult to remove from the film, place it in the refrigerator for 2 to 3 minutes to make it easier to remove.

## To finish well...

Please apply Glass Deco thickly. This will give the work a beautiful finish and make it easier to peel off from the film.

## enjoy mixing colors!

When applying, mix two or more colors together with a pin, spatula, toothpick, etc. to enjoy a variety of colors.

## A "toothpick" is useful.

When children use toothpicks, an adult should always be with them to prevent accidents.

## How to make gradient colors

After applying the two colors for the gradient, mix the border between the colors using a toothpick or similar tool.

## For apply well details well

Use a toothpick to apply fine details.

## How to crush air bubbles

If air bubbles form in the painted area, poke them with a toothpick to make them disappear and create a beautiful finish.
